Contents:

Electronic Musical Chairs unit, Play mat,

3 AAA batteries (not included) Install 3 AAA batteries into the battery compartment in the base. Use of rechargeable batteries is not recommended for this product.

Object of the game:

For each round, every time the music stops, be sure to step on a lighted chair. If you are successful, you will win!

Before you begin:

Be sure that the unit is placed onto the playmat so that each color light is lined up to correspond directly to a chair on the mat. This is easy since the unit is held with Velcro. Turn the unit on. You will note that the red light lights. This red light indicates one player. For every additional player in the game, press the red light again.

For 6 players, press 4 times (5 lights will be on)

For 5 players, press 3 times (4 lights will be on)

For 4 players, press 2 times (3 lights will be on)

For 3 players, press 1 time (2 lights will be on)

For 2 players – do not press, (One light is already lit)

Playing the game:

- Players form a circle around the playmat and face right. Press the blue musical note in the middle of the unit and Musical Chairs begins.
- All players walk, dance or skip in a circle around the playmat as the music plays. When the music stops immediately put your foot on a chair that is below a colored light that is lit. One person will not succeed! This person is out of the game. The remaining players continue as above. In each round a player will be eliminated, until there is just one person who succeeds.

Winning the game:

The player that was not eliminated wins the game!

Note: The unit will go into "sleep mode" if no lights are pressed within a five minute period. All lights will switch off. To reactivate the game unit, press the red light.
